The Statistical Abstract of Andhra Pradesh, 1987, is the Thirtyfirst in the series. It presents data on various aspects of the State Economy for the year 1987 with comparative figures for the preceding years. In this issue, district-wise break-up has also been presented for some important items.

It is hoped that this publication would serve as a useful reference book to the General Public, Research Workers, Bankers and Administrators.

I thank all the Heads of Departments in the State and Central Governments who have extended their co-operation in furnishing their data.
